**THE 2016 NATIONAL ELECTIONS
AND
THE SPECIAL FORCES ASSOCIATION**

What you see here may on the surface seem ridiculous but unfortunately what we do and say can and will affect our association's TAX EXEMPTION status. The Special

Forces Associations Head Quarters reminds us that our actions as members of this organization can have a negative effect upon our tax exempt status. We are encouraged to support the party, candidate or cause of our choice, but when we do so that we should do it as private citizens and not as representatives of the Special Forces Association. The by-laws of the Special Forces Association and Chapter 19, specifically state that our tax exempt status forbids actions that support any political candidate, party or cause while wearing anything that identifies us as members of the Special Forces Association.

The problem is that if you do what we ask you not to do that your actions can and will affect our TAX EXEMPTION status as a Fraternal Organization. The IRS is always looking for organizations like ours to punish for partisan politics, which is forbidden under Federal Law. So, take heed.

OUR ANNUAL DINNER PARTY

As of today the responses for the party are as usual, slow to come in. We go through this every year and toward the last two weeks prior to the affair, the RSVPs start to roll in. We anticipate that this year will not be any different. If you plan to attend we ask that you notify our treasurer Bob Mazur by May 18. We need this information so that Woody's can be prepared for our arrival on Saturday, the 21st of May.

The evenings activities begin at 1800 hours for cocktails to be followed by the dinner at 1900 hours. The cost is \$65.00 per person, please mail your check so that we have it by May 18, and make it payable to:

SFA Chapter 19

And mail to:

Robert Mazur

P.O. Box 1476

Toms River, NJ 08754

We may not be able to accommodate walk in diners after the May cut off date.

if by chance our letter on this subject has been lost or put aside and forgotten where it was placed we suggest that you go to our WEBSITE sfa19.org where all of the details for the evening are listed under the **EVENTS** tab.

MEMORIAL BUILDING FUND

You should have received two books of tickets by now, If you did not receive yours's or want more then please contact the SFA at PO Box41436, Fayetteville, NC 28309-1436.

Your purchase of those tickets is important to us. Just in case you forgot, our chapter treasury receives one half of all the money invested by our members. Of course you must write chapter 19 on the ticket stub. As always, the drawing will be held during the June convention.

The purpose for this raffle is for the maintenance of the Grounds and Buildings at the SFA HQ. An accounting of the funds taken in will be listed in the Summer edition of the DROP.

SPECIAL FORCES ASSOCIATION ELECTIONS

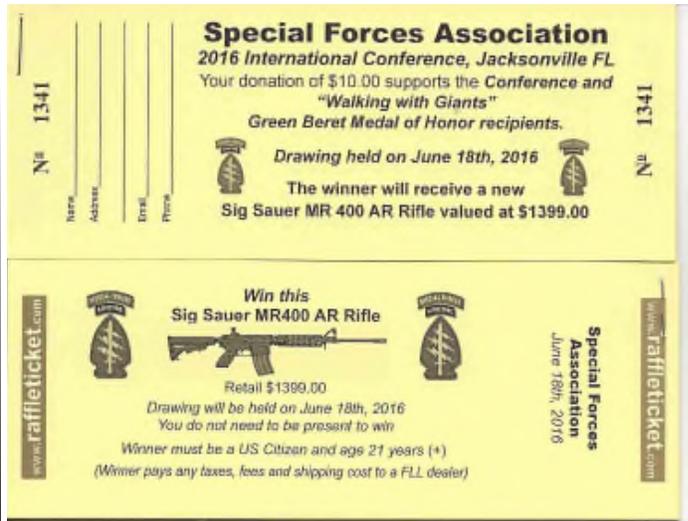

Just in case you missed it, an election ballot has been inserted between page 34 and 35 of the Spring 2016 issue of the DROP. Please look it over and cast your vote. Even though this is an uncontested election, your approval is still needed. You can cast your vote in one of two ways. The first of which is to mail the insert directly to National or, you can place your ballot into an envelope and mail it. If you place the ballot into an envelope you must address the envelope in the same was that the card is addressed. To do otherwise may void the ballot when it arrives in Fayetteville or it could get lost in the mail room at headquarters. I personally prefer to use an envelope. For a copy of the ballot see page 6.

CHAPTER 88 FUND RAISER

**FOR THE 2016 SFA CONFERENCE
Win a Sig Sauer MR400 AR Rifle**

While chapter 88 is preparing for the 2016 Conference, Jacksonville, FL, they have started a fund raiser to enable them to invite Medal of Honor recipients to the conference. The amount of money required to do this must

be a humongous. A copy of the fund raiser flyer on page 7. Due to our lack of knowledge about what may or may not be legal in your area, we suggest that you check it out with you local authorities. Wouldn't be so simple to have just one set of rules for all fifty states?

PROTOCOLS FOR CHAPTER FUNCTIONS

For these past several months, our secretary, Lou Hernandez has suggested some ideas that, if implemented, could help us carry out some chapter functions such as, funerals, obituaries, and welcome packets for new members. What should we as a group do when any one of the above events occur? Think about it, in military parlance this called an SOP.

WELCOME PACKET

We need a welcome packet. We have not had one since we reformed in 1996. If we do have a welcome packet, then the question is what should the contents of that packet be? The Welcome packet has been defined as:

- Letter from the President
- Chapter B-Laws
- Chapter Roster
- Tour of the Chapter Website.
- We would welcome additional suggestions

FUNERAL PROTOCOL

Here again is another item or SOP that we presently

do not have. The death of anyone is always stressful and our protocol could lighten some of the load on the survivors. The Family will be busy with the final arrangements for the loved one, and that is a lot to contend with. Perhaps a protocol for our organization could provide guidance as to what we should do and even more important, who should do it.

OBITUARIES

An obituary written in advance, would reduce the burden of the survivors. We have written about this in the recent past but the response was a resounding **thud**. Think about your Obituary. Wouldn't you rather have information written about you that reflects you and your past, rather than have a family member who is under stress do it and omit some critical details or provide incorrect information. An obit written in advance would make things a lot easier for all.

An obituary is, for most, something that we never give a thought to. We have had four funerals during this past year or more and it is always a time when there is a last minute struggle to put one together. If we are prepared, this could all be avoided. Almost everyone has the attitude as taken from a Woody Allen movie from several years back that said:

"I know that I am going to die someday, but just don't want to be there when it happens."

One suggestion is that the Chapter either wait for the obit from the family or assist them in writing it. And If it is the latter choice then we should have permission to correct any errors. The chapter should not have the sole responsibility of creating an obituary unless,.

SPECIAL FORCES SAFE HOUSE BANGKOK, THAILAND.

While putting the previous edition of the APEX we had

Mike Taylor, center, Rich Hahne and his wife in front. This is another view of the Safe-House.

This is a view inside the Safe-House. Standing behind the bar is the keeper of the keys, Mike Taylor (Center) and Rich Hahne.

originally set up something about the SF Safe House in Bangkok, Thailand: but, for some reason it became lost in the digital dust inside my computer. What we have here are photos sent by Mike Taylor, who recently transferred to chapter 6.

Mike Taylor shared his recent visit to the Special Forces Safe-House in Bangkok, Thailand. The Safe-House is an oasis for SFA members in between grid coordinates in that part of the world. Since Mike will be in that end of the world more than he will be in North Jersey, he transferred to Chapter 6. He was one of two members who did transfer memberships, they are Mike of course and Rich Hahne. We wish them well. Mike has made Thailand his home while Rich now has a new home in Vietnam.

Incidentally, if you look at page 54 of the Winter 2015 issue of the DROP you will see more details
